

DOMO

Located in the heart of Reykjavík, Domo welcomes you to the hub of culinary excellence. Since it opened its door in 2006, Domo has been a hot spot. A leading force in Iceland's restaurant scene, Domo's "kitchen without boundaries" serves pure Icelandic ingredients with exotic flavours in a trendy but laid-back atmosphere. As well as its excellent cuisine with a renowned a la carte menu, Domo is one of Reykjavík's best sushi restaurants with a variety of sushi plates depending on the catch of the day. The restaurant also offers a great selection of wines, sake and an extensive whiskey collection. Domo is a very happening restaurant so check out www.domo.is to check out what we are doing.
